... DEVELOP ANTI-WAR MOVEMENT ...

While George Bush and his supporters in the British Government are using failing and out-dated violent forms of international relations in Iraq and elsewhere, we are searching for more peaceful new ways. To mark the week of the American President's official state visit to Britain we have organized:

AN Open FREE DISCUSSION

Trinity House Social Centre

Tuesday, 18th November, 2003

7.30pm

Free ADMISSION

ALL WELCOME

Guest Speaker: **Dr Barry Gills**

[Barry holds joint Anglo-American citizenship and is a lecturer in International Relations at Newcastle University.]
